

Exhibitor Information

VDE Medical Software 2019

Going beyond theory of market access

May 15th, 2019
Frankfurt am Main

Increase the awareness of your products

Become an exhibitor with an exclusive service package. Present your new products and services. Generate new contacts for your campaigns.

Target group

120 to 150 participants are expected. The participants are mainly manufacturers from the medical device industry, service providers, regulators and users.

Event Venue

The event will take place in the large hall of the [Haus am Dom](#) conference centre in the heart of Frankfurt am Main.

Address:

Domplatz 3, 60311 Frankfurt am Main, Germany

The Haus am Dom can be easily reached by public transport as well as by car. [Click here](#) to find out how to get there.

Timeframe

May 15th, 2019

Exhibition set-up: from 08:00

Program: from 10:00 to 16:30

Dismantling exhibition: 16:30 - 18:00

Program

The program of the event is available at meso.vde.com/event-2019

Exhibition

A total of 6 stands are available in the registration area (No. 1-3), in the entrance area (No. 4) for the event and directly in front of the conference room (No. 5-6).

All stands are part of the break area, where the welcome coffee reception, the lunch break and the afternoon coffee break take place.

Expenses

The costs amount to € 800.00 (plus 19% VAT) and include 1 table and 2 chairs and power supply as well as the participation including catering for up to 2 employees of the exhibitor.

The exhibitor places will be allocated in the order of the binding written registration.

Benefits

Exhibitors appear with logo / name on the event website (meso.vde.com/event-2019).

The marketing activities for the event will also increase the visibility of the exhibitors.

One sponsored content (e.g. blog post) per exhibitor can be published on the digital platform VDE Medical Software (meso.vde.com) in coordination with the organizer.

Subject to change without notice.
